#398. I Will Bring You To Jesus

From the book: To the Priests, Our Lady's Beloved Sons.

When Mama Mary and St. Joseph presented Jesus in the temple, our Blessed Mother's motherly roles and functions unfolded.

"Within the mystery of Jesus' mission, there is intimately engrafted the unfolding of my motherly function...my duty as Mother is that of bringing Jesus to you and of bringing you all to Jesus. I am the way along which you must travel if you want to reach your Lord and Savior.

I am bringing you to Jesus, your Truth. This is why in these times, when many are leaving the faith to follow errors, I am intervening with my numerous and extraordinary manifestations, in order to lead you all to the full truth of the Gospel.

I am bringing you to Jesus, your Life. I am helping you through my strong presence in your midst, to live in the grace of God, so that you also can share in the very life of the Lord Jesus. In this dark times of the great tribulations, if you do not allow yourselves to be carried in my arms, with filial abandonment and with great docility, it is difficult for you to succeed in escaping the subtle snares which my adversary sets for you.... And you would be running in great danger of falling into the seduction which my adversary is setting for you in order to draw you away from Jesus and from me.

All can fall into his trap. Priests and even bishops can fall into it. The faithful and even those consecrated can fall into it. The simple and even the learned can fall into it. The disciples and even the masters can fall into it.

Those will never fall into it who -- as little children -- consecrate themselves to my Immaculate Heart and allow themselves to be carried in my motherly arms. As of now it will become ever clearer and clearer to the Church and to the world that the little flock which, in these years of the great apostasy, will remain faithful to Jesus and to his Gospel, will be entirely protected in the motherly enclosure of my Immaculate Heart.

I am bringing you to Jesus, your Way. You are thus led by Him to your Heavenly Father. Jesus is the perfect image of the Father; He is his only-begotten Son; He is the Word consubstantial with Him; He is the reflection of his beauty; He is the revelation of his love.

"Jesus and the Father are one single being. From the Father, through the Son, there is given to you as gift the Spirit of Love, in order that you too may be able to penetrate into the stupendous mystery of this divine Unity.

If Jesus becomes your way, you come into the arms of his, and your, Heavenly Father. If you walk with Jesus, you carry out the divine Will in your life, with that love and that docility with which Jesus has always done the Will of the Father. And thus you live with the confidence and the abandonment of little children who expect and receive everything as a gift of love from their Father who is in heaven.

And then, I, your heavenly Mother, am able to carry you each day, upon the altar of my Immaculate Heart, to the temple of the glory and the light of the Lord. Thus I am able to offer you, in life, to the

perfect glorification of the Most Holy Trinity, and by means of you, I am to spread everywhere the light of its divine splendor.

When this light will have illumined and transformed the whole world, Jesus will come to you in glory to restore His kingdom."

Today we seek refuge to the Immaculate Heart of our Blessed Mama Mary. We trust her motherly love for all of us. We entrust ourselves to Her maternal care. We ask her protection against all harm, subtle attacks, subtle temptations and traps, evil doings, evil manifestations, curses and demonic rituals that the devil and his cohorts may do against us and our loved ones, family, and community.

Let us pray fervently the Consecration to the Immaculate Heart of Mary.

Consecration to the Immaculate Heart of Mary

Oh Mary, the Father sent His Spirit to overshadow & empower you His Son as your child to depend on you. I too give my whole self to you, I renew my consecration to you.

O Mother and Queen, my body with all its senses, my soul with all its faculties
my heart with all its affections for you to give Jesus
and mold to His likeness

Take all that I am, that I have, that I do and give these to the
Holy Spirit to form Jesus in me.

At the foot of the Cross He entrusted me to you;
take and unite me to

Jesus Crucified, humbly obedient
to the Father, fully yielded to the Spirit in Love

May He be the lord of my life and of men, and in His spirit,
the praise and glory of the Father.

Amen.
